* Decimal point omitted.

* This schedule table is an estimated circulating supply schedule created under the premise that all lock-up supplies will be circulated at the time of unlocking; precise information may differ from the actual circulation volume.

* You can check the number of \$XPLA in circulation in real-time on CoinMarketCap. (There may be some delays in reflecting the actual amount due to the network's latency, etc.)

* Schedules and quantities are subject to change. Specific changes will be disclosed according to the Transparency standards. (This Unlock Schedule was written on Dec 8th 2022.)
